

## 3D Model Disclaimer

---

The attached 3D model is provided based on current design criteria and to provide a visual reference to support the design process. The model must be used in conjunction with the “keep-out” region detailed in the datasheet.

Whilst care has been taken to ensure that the dimensions are accurate, dimensions using the model alone is not guaranteed. Any use of this 3D model is at the user's risk.

Silvertel accepts no liability for quality, accuracy, and 'fitness for purpose' arising out of the use, or inability to use the 3D model.
